

GEL BLEACH

COMPLETE CLEANER SANITISER

Contains: 5% available CHLORINE present as SODIUM HYPOCHLORITE
1.5% free CAUSTIC SODA

Chlorinated Cleaner is a specially formulated cleaner sanitiser which will effectively clean and sanitise all bathroom, tiled and hard surface areas. It also contains powerful wetting agents to dissolve and rinse away mould, scum and body fat.

Chlorinated Cleaner has a clinging action which allows it to work well on:

- Shower walls and screens
- Toilets
- Tiled doors and walls
- Any areas where mould is a problem

Chlorinated Cleaner

- ✓ Cleans & disinfects Safe
- ✓ on stainless steel
- ✓ Sanitisers
- ✓ Value for money
- ✓ Bio-degradable
- ✓ Non-toxic
- ✓ For domestic or commercial use
- ✓ Phosphate free

SMART & HEAVY DUTY BATHROOM SANITISER AND CLEANER

Directions for Use:

Chlorinated Cleaner should be used neat on shower tiles, screens and doors. Spread evenly with sponge or pad over area. Allow 5 minutes (more for heavy soiling) then rinse off. Squirt around bowl and under rim of toilets, allow to run down bowl then flush.

Chlorinated Cleaner can be diluted up to 40 - 1 with water (hot or cold) and used as a cleaner - sanitiser on other areas. Mop or brush vigorously then rinse thoroughly.

NOTE: Contains caustic soda and chlorine so be careful. Do not mix with other chemicals and wear protective clothing and rubber gloves.
